

## Simple Stampin' Classes to GO! February 2017 - Cool Treat Bundle

It is the time to unveil another kit! I know...I know, I say this every time but here you go again – **THIS IS A KEEPER!** I ADORE this bundle and if I were you – I would purchase this as a bundle because the framelits are fantastic. I will pass the discounted bundle price onto you with the kit.

If you wish to purchase it as a bundle your kit cost will be \$69.30 (kit is \$45.00 + the framelits \$24.30)

If you need to make a substitution, the magic number is \$27.00 (**this is much higher than I like to go with a price point of a stamp set as I think that you all know the time, love and dedication I put into them**) but I do honor my commitment to the Monthly FUN we have!

The GREAT thing is...that even though if you were to purchase this bundle, you would still be a little shy of the \$50.00 to earn a FREE SAB Item but it is my pleasure to allow you to pick a goodie.

Next month I will be doing the same as we will be having a new group of SAB Items and I truly think that this catalog has been filled with great bundles.

Please use the below SAB Items to let me know what to order for you. IF you want the DSP paper...that is great but please know that I will have to cut it in half just like I do Product Shares to fit in an envelope.

- Tasty Truck Stamp Set
  - Avant Garden Stamp Set
  - Delicate Details Stamp Set
  - So Very Much Stamp Set
  - Hey Chick Stamp Set
  - Any Occasion Stamp Set
  - Designer Tee Stamp Set
  - Carried Away DSP
  - Inside the Lines DSP
  - 3/8" Metallic Ribbon
  - Pretty Pocket Card Kit
